Ben,

Thanks for the reply, but what I wanted to check was whether it's accurate to say "illegally."

Best,

Jane

Hi Jane,

You are correct that the waste was dumped in 1973.

Hi Ben,

My name is Jane Roberts and I'm the associate editor for Undark Magazine at MIT. I understood you spoke with Conor Gearin for a story about the Bridgeton landfill fire. I'm editing his piece and have something I want to clarify. Was the waste in the West Lake landfill dumped there illegally in 1973? I've seen that stated in numerous news outlets, as well as on the St. Louis County website, but I wanted to independently verify. If you could get back to me by tomorrow, I'd really appreciate it.

Best,

Jane
